

Waste Free 1st Year Anniversary Celebration

Earth Action Trust celebrated its first year anniversary on 11 December 2014 with greetings from Manawa Udy of Auckland Council and here's what she said:

Happy Bday Earth Action Trust!!! This champion Granada (aka Basurera, aka the garbage collector) and her trust have made it through year one of building a sustainable, social and environmental focussed organisation. This is a small part of her micro resource-recovery centre. Do not despise small beginnings!!! —

Manawa gifted Earth Action Trust a photo of recent donations of unwanted goods.
