EARTH ACTION TRUST IMPACT REPORT 2025/26

Nuku Nuku A Papatuanuku
EARTH ACTION TRUST

FY25/26: 1 Jul 25 - 30 Jun 26

Earth Action Trust made a meaningful impact through our core programmes: Team Up 2 Clean Up (T2C), Zero Waste Warriors, the Cornwall Park Community Ecohub and Community Flood Resilience. We are proud of our deep engagement with diverse communities and remain committed to growing our capability to serve Papatūānuku in all that we do.

EARTH ACTION TRUST

Our Programmes

Waste Reduction Awareness and Education

T2C events, held monthly, bring together volunteers of all ages and backgrounds to clean streets and public areas, making a tangible impact on our environment while enjoying the great outdoors.

Zero Waste Events & Waste Education

The Zero Waste Events help community groups and event organisers reduce waste and maximise resource recovery through zero waste planning, waste management, volunteer training, and sustainable event practices.

Cornwall Park Community EcoHub

The Cornwall Park Community EcoHub is a community-led space for connection, learning, and climate action. It is a welcoming place where people come together to reconnect with nature, with each other, and with practical ways to care for the environment.

Community Flood Resilience

Community Flood Resilience programme supports people in better understanding flood risk and taking practical steps to live more safely with water.
